COSTS

There is a one-off cost for the provision of travel information, private prescriptions and the administration of vaccines.

Adults £15/ children under 16-free.

The maximum charge for a family is £40

The cost of the medication issued on a Private Prescription is paid to the chemist.

Please note that the Diphtheria, Tetanus & Polio vaccine and Hepatitis A/Typhoid vaccines are both free i.e. there are no costs payable at the chemist. Please note that for Meningitis ACWY, as well as the above charges, there is an additional payment for a confirmation letter.
